

Calling all *Women In Transition* to the ...

Women are often immobilized when major life changes force them to make financial decisions, are daunted by the changes in the job market, and are overwhelmed by the challenges of returning to the workforce.

The **Women's Empowerment (We) Series** has been created to provide women in transition with the knowledge they need to move forward.

Part 1 — Home to Career.

Roberta J. Kessler, Financial Advisor at Uninvest Investments, will discuss how women can regain financial independence and security when re-entering the workforce.

Maria Evans, of Martino Evans Communications, will share strategies for putting your best self forward on paper and in person.

Pamela J. Ginsberg, Ph.D. licenced Psychologist, will address the emotional, relational and logistical challenges of returning to the workforce

Thursday, October 17, 2013 • 8:30 a.m. to 10:00 a.m.

Our purpose as the Women in Business Committee is to support the role of women in the workforce and foster their business growth through networking opportunities and seminars designed specifically for women. The committee awards an annual scholarship to a woman needing further education to re-enter the job market or shift career direction and also honors and outstanding woman for her business and community leadership with the V.I.A. Women in Business Leadership Award.
